PLEASE NOTE: Our set lists are provided to give you a feel for our artist's repertoire / genre rather than being adhered to as a specific playlist. We're constantly evaluating our set lists to ensure they're current, and are regularly adding new songs, and archiving old songs that we feel no longer engage the guests at our weddings and events.

In saying this, we want you and your guests to love our tunes, so if you do have a couple of faves from our list, we want you to let us know so we can be sure to include them. Your choice of ceremony songs (aisle song, signing of marriage certificate, and exit song) are completely up to you and do not need to be songs from our list. This applies to your first dance also.
